**Resolution:**

1. The resolutions of 16/12/2020 on online-based written examinations, of 06/01/2021 on online-based written examinations with online proctoring and of 13/01/2021 on oral online examinations and supplementary presentations in the form of group examinations apply to ensure a functioning examination system during the special situation of an epidemic and are therefore initially limited to the examinations assigned to the winter semester 2020/2021 and the examinations assigned to the summer semester 2021.
2. § 7 (3) of the General Examination Regulations and § 65 (2) of the Higher Education Act apply to oral online examinations and to supplementary presentations in the form of group examinations with regard to the appointment of examiners. In repeat examinations where there is no possibility of compensation in the case of a definitive failure, the examination shall be assessed by at least two examiners.
3. The Rectorate's resolution of 06/01/2021 on online-based written examinations with online proctoring is amended insofar as online proctoring is generally carried out via the Zoom video conferencing system.
